

A STRUCTURE
OF THE HIGHEST
QUALITY

Alu-halls

The classical design which has a multitude of applications such as exhibitions, conferences, logistical solutions, corporate hospitality and product launches.

Our PVC is manufactured from the highest quality Serge Ferrari fabric and is available in:

- standard translucent - maximising light
- opaque to provide total black-out for presentations
- crystal when you want to optimise a view or feature

Structures can be fitted with an integral cassette flooring system and around the perimeter can be finished in:

- soft PVC walls
- rigid white wall panels
- patio sliding doors
- aluminium double entrance doors
- arched entrance canopies and luxurious glazing panels

Whatever your vision, Arena Structures will bring it to reality.

“WE SHAPE EVENT ENVIRONMENTS.”

- For a more unusual look we are able to supply bell-end and pyramid roof structures
- Our Alu-halls are available in widths varying up to 50m and leg heights of 2.8m, 3.8m and 5.4m
- All structures conform to British, European and American standards for Stability and Fire Safety

Temporary Seating

Creating the perfect environment for the audience to appreciate an event is an art. Seating provides focus and drama, where before there was only space. Excitement, anticipation and spectacle are amplified and defined by effective seating, allowing performance to exist through its spectators. Arena Seating provide excellent lines of visibility for spectators while safely maximising the capacity for organisers.
